

## Superintendent Goals 2017-18

- 1.) As a District we will determine benchmarks for math and reading achievement. Once those benchmarks are established we will determine which assessment to use that will give us a baseline for longitudinal data to show how we are doing as a District in math and reading instruction.

Actions:

- Benchmarks grade levels and standards established.
- Assessments selected to measure achievement at those benchmarks.
- District-wide staff collaboration to ensure the benchmarks and assessments are common.
- Mid-year assessment data.
- End of year benchmark assessments completed.
- Benchmark data shared with the board.

Measured by:

- Completion of the above actions by June of 2018.

- 2.) Guide our Professional Learning Team process to re-focus on the professional learning of our staff.

Actions:

- Share the district vision for Professional Learning Teams at the all-staff meeting.
- Lead the Administrative team in professional learning around the PLT process.
- Revise the PLT rubric with Stakeholder input.
- Gather feedback data from each building on the PLT process.
- Review the data with the Administrative team.
- Review the data with the Board.

Measured by:

- Completion of the above actions by June 2018.
