

January 12, 13, and 19, 2010 Coos Bay School District Safety Meeting Minutes – Quarterly Safety Inspections

Safety inspections were held January 12th at Sunset, Milner Crest, and Marshfield. On January 13th, they were done at Bunker Hill, Millicoma, Blossom Gulch and Harding. Madison and Maintenance were done on the January 19, 2010.

Our next meeting is scheduled as follows:

February 9, 2010 – 3:15 at Milner Crest.

Proposed agenda items:

1. read and approve December meeting minutes
2. report on January safety inspections
3. discuss proposed district policies, per SAIF suggestion to reduce accidents and for clarification: Safety and Health Policy, Injury Prevention for Coaches & PE Teachers, and district Return to Work Policy. Copies were distributed to safety committee members in May and November, 2009. If you need a copy, let me know, and I will send it to you.
4. discuss Peggy's Thematic/Monthly Safety power point presentations – do we want to recommend they be presented to staff at meetings and then be available on the district's safety web site for those who missed them.
