SECTION I – INTRODUCTION

1. Proposal Introduction

Coos Bay School District 9 is issuing a Request for Proposals for Construction Management Services

The Coos Bay School District currently serves approximately 3100 students in two elementary schools (Madison and Blossom Gulch, K-3), two intermediate schools (Sunset and Millicoma, 4-7), one high school (Marshfield, 8-12), and one alternative school (Harding).

The schools are located on three large and two small pieces of real estate: the Marshfield campus includes the Harding building; Sunset and Madison share a large block of land but occupy opposite corners; and Millicoma shares a large parcel with the former Eastside Elementary building, now closed.

All of the District's elementary facilities were built in the 1950s and have exceeded their expected lifespan and require replacement. In addition, Blossom Gulch sits on fill in a tsunami inundation zone and has a failed foundation. The main building at Marshfield is from 1936, and the Harding building dates to the 1920s, with few changes since construction. Sunset and Millicoma need some renovations but are structurally sound and educationally adequate.

The District has conducted a two-year public outreach process regarding the state of its facilities and possible solutions. After considering the information generated during that process, its current assets, and educational needs, the Board decided to proceed with plans to create two K-6 campuses and move 7th and 8th graders permanently to the Marshfield/Harding campus.

SOLICITATION CLOSING: February 5th, 2018 3:00 pm PST. Deliver to the Coos Bay School District Office. See address above.

The Successful Proposer will be required to provide Workers' Compensation coverage for employees. Proposers are required to certify non-discrimination in employment practices, and identify resident status.

Pre-qualification of proposers is not required. All proposers are required to comply with the provisions of Oregon Revised Statutes and the District Board Policy. Attention is directed to ORS 244, Government Ethics, 279.A. B. and C., Public Contracts and Purchasing; and State of Oregon Department of Justice Attorney General's Model Public Contract Rules Manual.

The District reserves the right:

- to reject any or all proposals not in compliance with public proposal procedures;
- to postpone award of the Agreement for a period not to exceed sixty (60) days from date of Proposal opening;
- to waive informalities in the Proposal; and/or
- to select the Proposal which appears to be in the best interest of the District.

- e. District's Response to RFP Protest. The District will issue a written disposition of the RFP protest no less than three (3) business days before proposals are due, unless a written determination by the District determines that circumstances exist that require a shorter time limit. If the District upholds the protest, in whole or in part, the District may in its sole discretion either issue an Addendum reflecting its disposition under OAR 137-048-0240 or may cancel the RFP in the public interest under and in conformance with, OAR 137-048-0250.
- f. Extension of Closing. The District may extend Closing if it determines an extension is necessary to consider and respond to a properly filed Protest under this Section II(6).

SECTION III – PROPOSAL TERMS AND CONDITIONS

1. Independent Contractor/Partnerships

Nothing in this RFP shall be construed to create a partnership, joint venture or employment relationship between the parties. Contractor will not be, nor hold itself out to be, an officer, employee, agent of the District and will not make any such representations to third parties. Proposer acknowledges that Contractor's employees have no right to participate in District's employee benefit plans. Proposer further acknowledges that District is not responsible for the tax or other withholding of Contractor's employees.

2. Recycled Material

Pursuant to ORS 279A.125, notwithstanding provisions of law requiring a contracting agency to award a Contract to the lowest responsible Proposer or best Proposer or provider of a quotation, a contracting agency charged with the procurement of goods for any public use shall give preference to the procurement of goods manufactured from recycled materials if all the following conditions are met:

- a. The recycled product is available;
- b. The recycled product meets applicable standards;
- c. The recycled products can be substituted for a comparable non-recycled product;

- d. Recycled product costs do not exceed the costs of non-recycled products by more than five (5) percent or a higher percentage if a written determination is made by the contracting agency.
- e. At its discretion, the District may give preference to the purchase of materials and supplies manufactured from recycled materials, even if the cost differential exceeds the five percent preference set forth above. At its discretion, the District may give preference to the suppliers of recycled products and recycled paper or to products that reduce the amount of waste generated. The District may determine the amount of this preference.

3. Licenses

Contractor or Subcontractor shall demonstrate possession of any license necessary for performance of the work described under this RFP.

If not licensed to do business in the State of Oregon, the Successful Proposer will register as a foreign corporation with the State of Oregon Department of Commerce prior to the Award of the Contract Agreement.

It is the practice of the District to achieve race and gender equity and to foster small business opportunity in the award and implementation of contracts and subcontracts. The mission is to build a diverse and prosperous group of community contractors and trained employees who can effectively compete in business, while obtaining quality goods and services in a competitive, efficient, and non-discriminatory manner.

Proposer will certify in its offer that Proposer has not and will not discriminate against a subcontractor in awarding a subcontract because the subcontractor is a minority, women, or emerging small business enterprise certified under ORS 200.055.

The District will not be responsible for any costs associated with the development or submission of Proposals.

7. Contract Management Services Agreement

The contents of the Proposal of the Successful Proposer, along with this RFP and Agreement Provisions (similar in form to those attached) and any clarifications and addenda issued by the District, will become contractual obligations if the District accepts a Proposer's offer. The order of precedence for the Contract documents shall be the Agreement, this RFP, its attachments and any addenda, and the Proposal of the Successful Proposer, unless otherwise indicated in the Agreement.

If a Proposer has objections to the RFP documents, terms or conditions, or anticipated Construction Management Services Agreement terms or conditions, but fails to follow the RFP Protest procedure described above, the only options available to the Proposer are to either accept all obligations, or to withdraw by the Deadline to Withdraw as indicated in the RFP Timetable.

A Proposer that fails to object by the Inquiries Deadline and to withdraw its Proposal by the Deadline to Withdraw will be deemed to agree that, if chosen as the Successful Proposer, it will accept said obligations in a contract, purchase agreement, purchase order, delivery order, or similar acquisition. Failure to do so may result in cancellation of the Award of the Contract Agreement, and may, at the sole discretion of the District, result in liability to the Proposer for whatever damages the District sustains as a result thereof.

The formation of the Agreement shall not be complete and the District shall not be liable under it until it has been executed both by the Successful Proposer and by the District.

This Agreement shall be for one (1) year and may be renewed for additional period(s), subject to agreement by the Parties prior to the expiration of the current term. The Agreement term shall not exceed five (5) years.

8. Financial Interest, Fraud, and Collusion

A Proposer filing a Proposal thereby certifies that, with regard to this RFP, no officer, agent, or employee of the District who has a pecuniary interest in this RFP or Proposal has participated in the Agreement negotiations on the part of the District, and that the Proposal is made in good faith without fraud, collusion, or connection of any kind with any other Proposer to this RFP. Further, the Proposer certifies that with regard to this RFP, the Proposer is competing solely on the Proposer's own behalf without connection with, or obligation to, any undisclosed individual, partnership, company, or Limited Liability Entity.

9. Duration of Offer

Proposal prices and Provisions shall remain firm for ninety (90) calendar days after the Submission Deadline indicated above. The Successful Proposer shall not alter the terms or price of their Proposal if said Proposal is accepted within ninety (90) days of the Submission Deadline indicated above. Price increases or changes in terms by others after the acceptance will not be considered. An Award of the Contract Agreement to any Proposer shall not constitute a rejection of any other Proposal and the District will remain free to accept other Proposals.

10. Risk of Loss and Damage

The Proposer will be liable for all damages arising out of the Proposer's negligence or fault in connection with this RFP.

The District will not be responsible for the loss or damage of any items during the RFP process, unless negligence on the part of the District has been established in a court of law.

- j. To obtain Proposals from other Proposers for specific jobs.

13. Ownership of Proposal Documents

All Proposals developed specifically for the District shall be the property of the District and all title and interest therein shall vest to the District. All Proposers, at their own expense, may and should retain a copy of their Proposal.

14. Sufficient Information

- a. All Proposers represent and warrant that by responding to this RFP they have been sufficiently informed in all matters relating to the performance of duties required by this RFP and its attachments. Prior to submitting a Proposal, all Proposers shall make a careful examination of the RFP Provisions, including but not limited to terms and conditions, including any specifications. Failure to take these precautions will not release the Successful Proposer from performing the work in strict accordance with the terms of the Agreement.
- b. Proposers are welcome and encouraged to make visits during the normal operating hours. Prior arrangements must be made with the person listed as the Contact on the front page of the RFP.
- c. The District will not be responsible for any loss or for any unanticipated costs that may be suffered by the Successful Proposer as a result of the Proposer's failure to fully inform themselves in advance in regard to all conditions pertaining to the duties required. No statement made by any officer, agent, or employee of the District will be binding on the District.
